

**Roberta Cazzola** (Milano, Italy)

UNIVERSITÀ DEGLI STUDI DI MILANO

### **Biographical Sketch**

Roberta Cazzola serves as Associated Professor of Biochemistry as well as coordinator of advanced courses in “Food sciences and applied nutrition” at the University of Milan. Prof. Cazzola has degrees in Agricultural Sciences and has eventually earned her Ph.D. in Experimental and Clinical Nutrition from the University of Milan. Prof Cazzola's research activity is mainly aimed at the study of the interactions between nutrition and risk factors for non-communicable diseases.
